Nancy Commander
Chief Appraiser

Robertson Central Appraisal District has updated the guidelines for filing Wildlife Management Reports. The new filing requirement will follow our reappraisal plan which will be posted on our website. Please file by April 30th; along with pictures, receipts and logs showing evidence of use. You will not need to report unless you receive the requested information from our office. You can get the report form from either our website: <https://robertsoncad.com> or Texas Parks and Wildlife: https://tpwd.texas.gov/landwater/land/private/agricultural_land/

There is a word document Management Report on Texas Parks and Wildlife that can be completed online and emailed, if you so choose. The reports and evidence can be emailed to rcad@robertsoncad.com. If you have any questions, please contact our office at the above referenced number or email.

Sincerely,
Robertson Central Appraisal District
